Carolina Power & Light Company, d/b/a Progress Energy Carolina, Inc. ("PEC") has filed a Petition with the Public Service Commission of South Carolina ("the Commission") to establish procedures that encourage PEC investment in cost effective energy efficient technologies and energy conservation programs and approve the establishment of an annual rider to allow recovery of all costs associated with such programs and the recovery of an appropriate incentive for investing in such programs. The Application was filed pursuant to S.C. Code Ann. Section 58-37-20 and Commission Regulations 103-819, 103-820, and 103-823.
